May 27	Memorial Day
July 4	Independence Day
September 2	Labor Day
November 28	Thanksgiving Day

SECTION II

Pickup days are **Tuesday** and **Friday** except for holidays. **NO PICKUP** on the following holiday days:

January 1	New Years
-----------	-----------

James Belford Damiano
Mayor, Township of Little Falls

Dear Residents,

I am happy to announce that the Township will continue to provide recycling services on a weekly basis in 2019. The Township will continue to pick up recycling every Wednesday on an alternating basis. Please keep this recycling and garbage schedule handy, and be sure to read it thoroughly, including the back page for some useful information regarding recyclable items, and who to call to have them recycled. Wishing everyone a happy and healthy 2019.

James Belford Damiano
Mayor, Township of Little Falls

Comingle items include aluminum cans, glass containers (no window glass), tin and bi-metal cans, plastics (#'s 1, 2, 5 only), tetra-pak containers.

Recycling must be out by 6 A.M. (No Later)

Containers with contents must weigh no more than 40 lbs.

(Good rule of thumb, if you can pick up the container 3 feet off the ground, then it should be ok)

Containers are NOT to be placed in street for pick up.

Township of Little Falls Recycling Department

DUE TO THE CHANGING RECYCLING END MARKETS, WE WILL ONLY ACCEPT #'s 1, 2 and 5 PLASTICS
ALL OTHERS ARE TO BE PLACED IN THE GARBAGE AT THIS TIME

#3 NOT ACCEPTED WITH RECYCLING

#4 NOT ACCEPTED WITH RECYCLING

#6 NOT ACCEPTED WITH RECYCLING

#7 NOT ACCEPTED WITH RECYCLING

Commingled materials to be placed in recycling barrels or clear plastic bags only for pick-up.
All other plastic bags can be recycled at various stores that accept these bags.

GARBAGE RULES AND REGULATIONS

GARBAGE MUST BE OUT BY 6 A.M. ON DAY OF COLLECTION.

All garbage receptacles shall be strong, water tight containers with handles and close-fitting covers. Each receptacle can be up to a 64 gallon container. Receptacles, together with the contents, shall weigh no more than 60 lbs. and up to 5 (five) containers can be placed out at the curb for pick-up.

The following types of containers are **NOT** acceptable:

Landscaper barrels

Pickle barrels

Plastic or metal drums

Cardboard boxes

All receptacles must be placed adjacent to the street (**not in the street**), no sooner than dusk of the day before the day of scheduled collection and shall be removed no later than 9:00 p.m. on the collection day.

When garbage collection falls on a legal holiday, no garbage will be collected on that day. Garbage will be picked up on the next regular garbage pick-up for your section.

You are allowed two larger items (*such as a sofa, dresser, box springs and mattress, etc.*) to be put out on the second pick up of each week with your regular garbage.

ITEMS NOT PERMITTED IN GARBAGE

The following items are not permitted to be placed in the garbage:

Recyclables: aluminium cans, appliances, brush and tree branches, car batteries, cardboard, glass food and beverage containers, grass, leaves, metal, oil, newspapers, tires, tin and bi-metal cans and vegetative waste.

No stones, dirt, rocks and roofing material.

Any construction debris from new work, alterations, or repairs is prohibited and must be disposed of by the property owner.

******Wood from other than the list above may be placed in bundles securely tied with heavy twine, cord or wire. Bundles are not to exceed six feet in length nor weigh in excess of 50 lbs. each. You are limited to no more than 2 bundles per pick up.

Any materials from contractors doing work on your building or property must be disposed of by the contractor. The Township will not pick up this material.

Carpeting removed by a contractor and debris left over from installing the new carpet must be disposed of by the contractor. The Township will not pick up these items.

If you are removing the rug yourself, you are permitted to put out 2 pieces no bigger than 6 foot wide. Carpet must be rolled and tied and placed at the curb for pick up. Please try to cover it if it is raining, since the carpets get very heavy to handle.

NO paint cans are allowed in the garbage, except dried out latex/water base paint. (To dry out latex paint, pop top off cans, set aside in a covered area, the liquid will evaporate, then place the can, tops off, with the dried out paint alongside your garbage receptacle.)

Due to people sneaking paint cans into the garbage and the complications that can follow, residents will receive a summons to appear in court. More seriously, you could face fines and jail time from the County Health Department and/or the State DEP. Please abide by the rules.

NOTE: The Township is prohibited from collecting household hazardous waste such as oil base paints, paint thinners, gasoline, pesticides, herbicides, acids, etc. Questions about proper disposal methods and locations should be directed to the Passaic County Office of Solid Waste Management at 973-881-4506. **Please do not** put these items into the garbage or bring them down to our recycling center.

No garbage can be brought to the recycling center. We are not permitted by law to accept any garbage at our facility.

Summons issued for recycling and/or garbage violations will require a court appearance. Fines can be set from \$100 to \$1000 for each and every offense. The court could also sentence you to up to 90 days in jail. Please obey the rules and regulations.

Residents moving out and new people moving into the Township need to adhere to these rules and regulations. Residents should dispose of these items in advance of moving. Put allowable items out a little at a time. Do not put it out in large amounts. If you have any questions, please call the office at 973-256-0309.

Apartments and Condominiums

You are also subject to these rules and regulations. Please see your property manager, superintendent, or landlord for additional rules concerning disposal of your garbage and recyclables.

Failure to abide by the rules and regulations will result in summons being issued to your association and/or landlord. Please comply.

**IF YOU DON'T
PICK UP
AFTER YOUR
PET,
IT MIGHT AS
WELL POOP
IN THE RIVER**

**Rain washes
pollutants into
storm drains which
flows directly into
our streams, lakes,
rivers and the
ocean.**

So what can you do?

WHAT'S THE PROBLEM WITH PET WASTE?

Rain can wash pet waste that sits on a lawn or unpaved surface into storm drains, ultimately ending up in our lakes, rivers and the ocean. Pet waste contains coliform bacteria and other pollutants that can make people sick, and often cause beach closures on lakes or the ocean. Coliform bacteria can contaminate shellfish, which causes people to get very sick when they are eaten. Bacteria from pet waste can also pollute your drinking water, as well as kill fish, wildlife and plants. Pet waste is not only a health hazard but also a nuisance in our neighborhoods.

YOU CAN HELP!

- Use newspaper, plastic bags, or a pooper-scooper to pick up the waste when you walk your pet.
- Properly dispose of pet waste into the trash or toilet. (Do NOT dispose of newspaper or plastic bags in the toilet.) Do
- not dispose of pet waste in storm drains.

WHY SHOULD YOU CARE ABOUT CLEAN WATER?

Stormwater pollution is one of the greatest threats to New Jersey's clean water supply. Clean water provides access to safe drinking water, a place for recreation, commercial opportunities, healthy wildlife habitats, and adds beauty to our landscape. Rain washes pollution from streets, parking lots, and lawns into storm drains, then directly to our streams, rivers, lakes and the ocean.

Did you know more than 60 percent of water pollution comes from things like motor oil, fertilizers, pet waste, and detergents? By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater.

New Jersey Department of Environmental Protection
www.CleanWaterNJ.org

HEALTHY LAWNs - HEALTHY WATER

WHAT YOU CAN DO:

1. Choose a no phosphorus and slow-release nitrogen fertilizer. Check the first and second number on the package for nitrogen and phosphate content. Formula, 26-0-3, for example, means no phosphate.
2. Apply fertilizer at the spreader setting shown on the bag, to avoid overuse or underuse of product.
3. Return any unused product to the original container for future use.
4. Do not apply fertilizer products if a heavy rain is predicted.
5. Use a drop spreader or a rotary spreader with a side guard to keep fertilizer on the lawn and off driveways, roadways and walkways. Sweep up excess fertilizer from paved surfaces.
6. For a healthier, greener lawn, fertilize after the first lawn cutting in the spring and again in the fall when weather conditions are best for grass to absorb nutrients.
7. Soil tests can help identify what nutrients your lawn needs. Contact your County Extension Agent at <http://njaes.rutgers.edu/county/> for details and other helpful lawn and garden information.
8. For more information visit www.nj.gov/dep/healthylawns healthywater

RECYCLABLE ITEMS

ALUMINUM CANS - Put loose, rinsed, drained cans into recycling roll-off marked for aluminum cans (soda, beer, etc.). *(Curbside collection see schedule for dates.)*

APPLIANCES and METAL SCRAP - Refrigerators, stoves, washers, air conditioners, doors, pipes, fencing, gutters etc. dropped off or picked up (a fee of \$5.00 per item for pickup) paid in advance at the Recycling Office, Sindle Ave. (DPW Yard) or Municipal Building, 225 Main Street, or mailed to the Township of Little Falls, 225 Main Street, Attn: Recycling Dept. Pickups will be made within a couple of days once fee is paid.

BULK ITEMS - Large bulk items can be put out at curb 2nd (second) trash collection of the week. Two items per week.

CARDBOARD - Place in recycling compactor truck marked for cardboard. Cardboard shall consist of corrugated cardboard and can include chipboard. Chipboard is cereal boxes, macaroni boxes, cake boxes, shoe boxes, etc. Pizza boxes are recyclable. Bundle & tie cardboard. Do not include any cardboard item that is wax coated. *(This should be put in the garbage.) (Curbside collection - see schedule for dates.)*

CLOTHES - Clothes can be placed in boxes available at the recycling center.

COMMINGLED CONTAINERS - Rinsed glass food and beverage containers (no window glass), tin and bi metal cans, and plastic containers with #'s 1, 2, 5 put in recycling roll off marked for Commingled Containers. *(Curbside collection - see schedule for dates.)* Containers with contents must weigh no more than 40 lbs.

ELECTRONICS - Computers, monitors, components, telephones, VCRs, DVD players, stereos, TVs, etc. may be dropped off at the recycling center. Residents may also schedule a pick-up of these items by calling (973) 256-6815. There is a \$5.00 each pick up fee for TVs larger than 35 inches and/or console TVs.

GRASS - will be collected curbside in paper biodegradable bags only, SECTION I on **Monday**, SECTION II on **Tuesday**. Bags must be out by 6 a.m. during grass season. Residents can also drop off their grass at the recycling center by the marked area. **NO PLASTIC BAGS**. Bags with grass must weigh no more than 40 lbs. and ARE NOT to be placed in the street.

HOLIDAY TREES - Trees will be picked up curbside during the month of January as weather and schedule permits or residents can drop them off at the Recycling Center in the marked area.

LEAVES - Leaves will be collected in paper biodegradable bags only. Section I will be collected on **Monday**, Section II will be collected on **Tuesday** (must be to the curb by 6 a.m.). Bags will be picked up until snow is on ground. Residents can also drop off their leaves at the recycling center by the marked area. **NO PLASTIC BAGS**. Bags with leaves must weigh no more than 40 lbs. (Loose leaves are not permitted to be placed in street.)

REMINDER - Residents who use Landscapers, Yard Maintenance Firms and Individual Contractors working in Little Falls must remove all debris resulting from their work.

MOTOR OIL - can be dropped off at the recycling center between 11 a.m. and 3:50 p.m. See attendant on duty for disposal. If no attendant is present **DO NOT** drop off oil. **DO NOT** mix oil with anti-freeze or any other chemicals/liquids.

MIXED NEWSPAPERS - Place in recycling roll-off or dumpster marked for newspapers. *Mixed newspapers shall consist of newspapers, magazines, junk mail, telephone books, paperback books, office paper, school paper and brown bags, and chipboard (chipboard is cereal boxes, macaroni boxes, cake boxes, shoe boxes, etc.). Bundle & tie newspapers. (Curbside collection - see schedule for dates.)*

PAINTS, CHEMICALS, PROPANE TANKS, ETC. - We are not permitted by law to accept these items. Do not bring these items to the recycling yard. Please call the Passaic County Office of Recycling at 973-881-4506 for disposal information.

TIRES - Auto tires and small truck tires could be brought to the Recycling Center at Sindle Avenue.

FEES: Car tires - \$4.00 per tire • Truck tires - \$15.00 per tire

TREE BRANCHES - You must call 256-6815 to be put on schedule for pick-up. No longer than 10 feet in length, stacked neatly with ends in one direction, 3 feet or smaller must be bundled. **NO ROOTS. NO TREE STUMPS.** Placed at the curb, NOT IN THE STREET.
