## UPDATE - January 31, 2022

### **\*IMPORTANT UPDATE ON CASE REPORTING\***

**Please note that information highlighted in yellow reflects new and updated information.**

Below are the case numbers for the previous week, as well as the overall case count generated by CDRSS reports. Remember that these numbers do NOT account for at-home tests, duplicates, and cases that are out of jurisdiction.

**1/21/22 through 1/27/22: 24 new cases**

**The total number of COVID-19 cases for the Township of Little Falls is 2,549.**

The total number of COVID-19-related deaths in the Township of Little Falls is 16.

Due to an unprecedented and ongoing surge in COVID-19 cases, effective December 17, 2021, the Clifton Health Department is utilizing Township of Little Falls COVID-19 data recorded in the Communicable Disease Reporting Surveillance System (CDRSS). CDRSS is the system used by the NJ Department of Health to track COVID-19 cases. While the Health Department was already using this system for case reporting, we would initially ensure that any cases that were found to be out of jurisdiction, and any cases found to be duplicates of existing cases were removed from the weekly case counts and overall case count. Our goal was always to provide the community with the most accurate representation of COVID-19 in the Township of Little Falls.

For general questions pertaining to COVID-19, please call the New Jersey Department of Health COVID-19 Hotline at 211 or text NJCOVID to 898-211. Please also feel free to visit <https://covid19.nj.gov/> for more information. For mental health-related concerns during COVID-19, call the Disaster Distress Hotline at 1-800-985-5990 or text “talk with us” at 66746. If you wish to get in touch with the Clifton Health Department for general COVID-19 questions, please email Health Educator Layal Helwani at [Lhelwani@cliftonnj.org](mailto:Lhelwani@cliftonnj.org).

*The Clifton Health Department is a contractual health agency*

*serving the Township of Little Falls.*

## Covid-19 Cases by Week

### Updated, 1-28-2022

**March 9, 2020 - January 28, 2022**

Case numbers are subject to change, as data is further investigated/reviewed by New Jersey Department of Health (NJDOH), County Health Department, and Clifton Health Department; numbers may be reduced due to cases being transferred out of jurisdiction, duplicate cases merged, and/or NJDOH changes to case definitions.
