Re: *Houston Road Speed Humps*

Dear Neighbor:

This notice is to inform you that the speed hump construction is scheduled to commence on Wednesday June 12, 2024. The project is expected to be completed as follows:

Day 1 - Project warning signs will be installed. Work will commence at approximately 7:00am and end by approximately at 3:30pm.

Day 2 - Speed humps will be installed either on Thursday June 13 or Friday June 14, dependent upon the weather, starting approximately at 7:00am and ending approximately at 3:30pm. Houston Road will need to be closed to through traffic during this time to enable the construction. Access for local traffic will be limited during this time and will need to be coordinated with the police officers assigned at the closure. Access may be required from the opposite side of the street dependent upon the location of the speed hump being installed.

Day 3 - Pavement markings will be installed at each speed hump location. Work will commence at approximately 7:00am and be completed that day. Portions of the road will be closed at various times during this day.

Please note that local access will be limited at times, however, there will always be access available to your home during the installations. The appropriate route will be coordinated with the police officers at the scene as necessary. Please be patient as the work is occurring.

Should you have any questions regarding the above or problems on the days of the installations please contact our township engineer Michael Kobylarz, Alaimo Group at (973) 523-6200. Thank you for your understanding/cooperation in this matter.

Additionally, should you have any questions, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in black ink, appearing to read "James Belford Damiano".

JAMES BELFORD DAMIANO
Mayor, Township of Little Falls
