Little Falls --- Veterans Project

Telling the stories of those who served!

The [Little Falls Veterans Project](#) recognizes residents of Little Falls, New Jersey who served in a branch of the United States military. Started by the American Legion - Singac Post 108 as a way to honor those who were killed in action, this online platform has expanded to honor all who served.

The project is a collaboration of the American Legion, the Little Falls Historical Society and Passaic County Community College – PROSPER Grant.

The American Legion welcomes additional information for this site. If you would like to share information and/or pictures about a Little Falls veteran, please e-mail alegion108@optonline.net or visit the web page www.littlefallsnjveterans.org for a submission form.
